PROJECT STATUS REPORT / FIELD OBSERVATION

Project: MOSP Food Cart (red job # 19015)

Project Location: Mount Sinai Medical Center, 4300 Alton Road, Miami Beach, FL

Time: 09:00 AM (tentative)

Site Visit Date: 02-25-26

Weather: Clear / dry conditions

Phase: Construction Administration

Status: Work in progress. Temporary containment and negative pressure controls observed in active area.

Present: Eduardo Muhiña (RDG)

NOTE: Omission of any item of non-compliance with the contract documents from this report does not relieve the contractor of his responsibility to comply with requirements of the contract documents.

MOSP Food Cart

ITEM #	DESCRIPTION	REFERENCE PHOTO/DETAIL	COMPLETED YES or NO
1	Exterior temporary containment and protection barriers are in place around active work area. Maintain sealed perimeter and controlled access at all times.		YES
2	Work zone remains demarcated with warning tape and temporary framing/plastic barriers. Continue maintaining separation from adjacent occupied areas.		YES
3	Negative pressure monitoring device (Magnehelic) observed installed and operating. Continue continuous monitoring per ICRA/infection control protocol.		YES
4	Negative air pressure log present on site. Ensure readings are logged per required intervals and signed by responsible party.		YES
5	Barrier condition appears generally adequate; verify all joints/penetrations remain sealed to prevent air leakage.		NO

ITEM #	DESCRIPTION	REFERENCE PHOTO/DETAIL	COMPLETED YES or NO
6	Housekeeping in perimeter work area should remain ongoing to reduce dust/debris migration. Maintain daily cleanup and disposal routine.		NO
7	Continue documenting pressure compliance and barrier integrity until area turnover/inspection.		NO
8	Project identification and location confirmed against reference documentation.	 architecture • interiors • exceeding expectations...
